# INTRODUCTION

- Your presentation should comprise of a combination of the following formatted slides and **must not exceed 19** (one title + 18 other) slides:
  - A Title slide
  - Main content slides
  - Conclusion, Reference and “Thank you” slides
- Please use the title slide as your first slide

# OBJECTIVES

- Text on the presentation slides must NOT be smaller than 22pt.
- Font colours should be dark and easy to read;  
e.g., black, **dark blue**, dark green.
- Bright, bold colours can be used **in moderation** to highlight specific text; e.g., **Bright Blue**, **Orange**, **Red**.

# METHODOLOGY

- Avoid including too much information into your presentation by cluttering your slides.
- The presentation should be kept simple, with the relevant information conveyed in a clear and concise manner.
- Once again, there must be no more than **19 slides** in the presentation.
- All presentation points must be in English.
- Include the ICoNEtech-2020 logo on the top left-hand corner of every slide.

# RESULTS

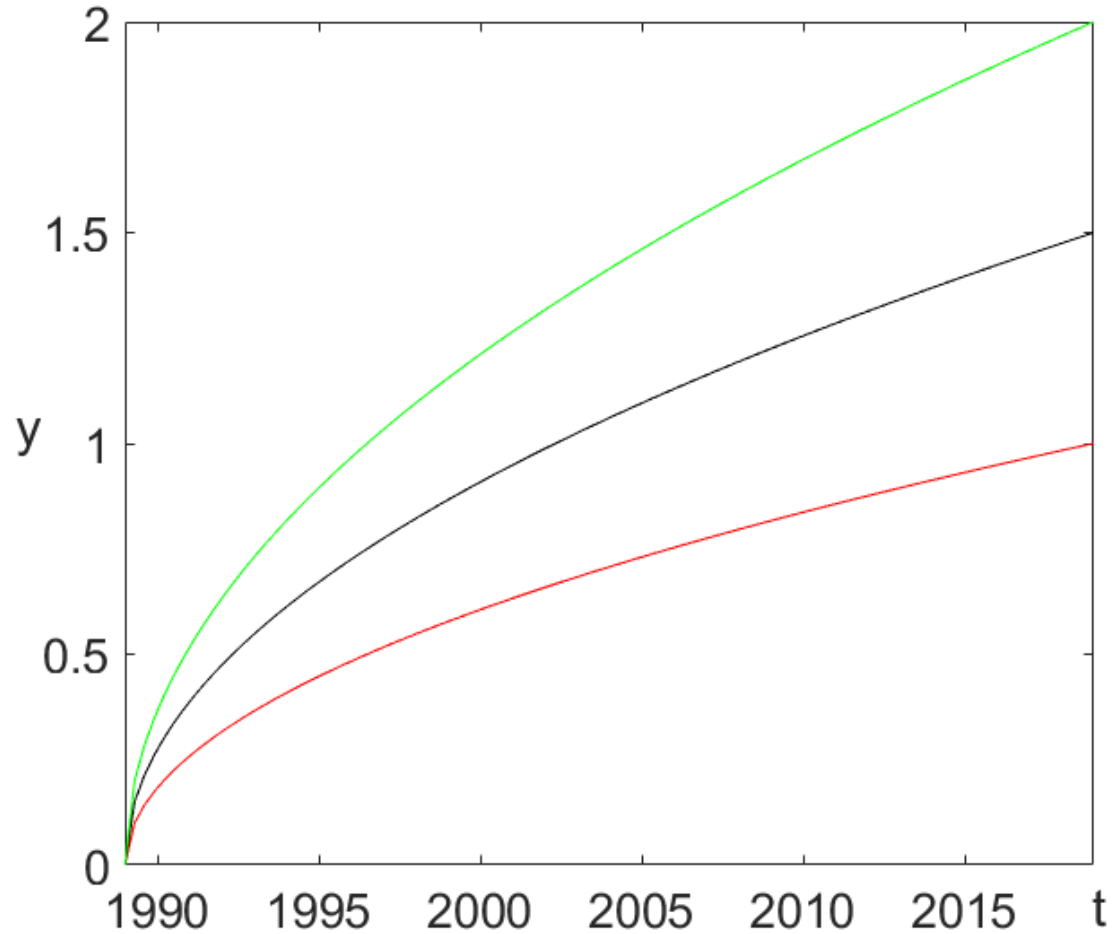

- Tables should have a minimum text size of 20pt.
- The title of each table should be centred and placed above the table.
